## STUDENT AWARD FOR ART MEDAL 2010

The Medallic Art Society of Canada (MASC) is very pleased to present this invitation to students to create an art medal. The award for this winning medal includes a monetary value of \$1000 for first, \$300 for second & \$100 for third. The finished medal can be cast in bronze or it can be completed in pewter, terra cotta, Hydrocal or other non-malleable materials.

A photograph of the artist is requested. The photograph may be used in the MASC newsletter and on our website.

The art medal is not well known across North America. In consideration of this a simple pamphlet has been written to assist students in the creation of a medal. To view the pamphlet go to [www.delnewbigging.com](http://www.delnewbigging.com)

With best wishes to all for creative efforts MASC looks forward to viewing many new art medals in April 2010
