BULLETIN

TWENTY ONE MEMBERS & three guests were present at the ⁶th meeting of the North York Coin Club on August 23rd. Three applications for membership were received from the following:-

Mr R.A. Smith, 162 Elmhurst Ave. Willowdale, Ont.
Mr N. Oleskiw, 253 Rogers Rd. Newmarket, Ont.
Mr. J. Walford, 16 Wedgewood Drive Willowdale, Ont.

Mr R.C. Willey F.R.N.S. of Espanola Ont., President of the Nickel Belt Coin Club and Assistant Editor of the C.N.A. was our guest speaker. He provided us with a most interesting talk on early Canadian tokens, it is to be hoped we shall be honoured by another visit in the not too distant future.

Mrs Louise Graham gave a brief report on the C.N.A. Convention Auction where prices of Canadian Coins & tokens reached an all time high.

Mr William Lavell was delegate for the N.Y.C.C. at the Convention, so we hope to get a full report at the next meeting.

At the last meeting there was a profit of \$1.75 for the Club from the Auction.

Mr Kenneth Beavis displayed a Canadian 1956 dime with the DOT ABOVE the 9 of date, and the Secretary displayed another variation of this date with a dot below the 5 of date, the dot in this case touches the 5, while it is separate and well above on Mr Beavis specimen.

THERE WILL BE ANOTHER AUCTION at the next meeting, so bring along your duplicates and make it a good one.

The Secretary will read a paper entitled, The Money of Canada from a Historical Standpoint; by Robert Wallace McLachlan, as delivered to the Royal Society in 1915. Specimens of tokens will be on view, but bring along your Canadian Catalogue as the illustrations will be helpful to follow the talk.

THERE WILL BE A DISCUSSION of the Annual Meeting and Banquet to be held in Feb.

EXTRA: There will be a COIN DRAW at the next meeting, will you please drop your coin in the box provided at the door, and who knows maybe you will be the lucky winner.

THE NEXT MEETING of the North York Coin Club will be held Sept. 27th 815 pm. at the North York Public Library, Committee Room, Basement. This holds about ten more seats than the Viewing Room, In view of the rapid growth of the membership of our Club, we hope to have larger accomodation for future meetings.

BRING A GUEST, BRING YOUR COINS, BRING YOURSELF,

SEE YOU AT THE NEXT MEETING

Your Secretary-Treas.
