LAST MEETING 24 members and 6 guests were welcomed at the meeting of May 23rd at the North York Public Library. There were 2 applications for membership from,-

(69) John Konieczny, 249 Concord Ave., Toronto 4

OUR PRESIDENT John Curtis gave a most interesting talk on The Puffin Coins of Lundy Island, specimens of two copper coins of this Island were passed around for inspection. John explained that Lundy Island lies off the coast of England, at the mouth of the Bristol Channel. Although only a dot on the map, this place has claimed a large number of ships on its rocky shores. Cursed perhaps by the sailors, Lundy Island was owned by a Mr Heaven. Crime did not exist, and there were no police here, and there were no taxes nor was there any poverty, in short this is just such a place one might dream about, when the mortgage comes due. To the people of this Island this was known as the Kingdom of Heaven.

THE DRAW for the gold coin was won by N.Jasztrab, a new member. It was decided to have a draw at all future meetings.
