Further nominations will be invited from the floor at this meeting, if an election is necessary it will take place at the November meeting. LAST MEETING

About 60 members and guests were present to hear Mr F.C.Jewett FRNS speak on the situation of the "Gold Collector of Today" Many questions came from the floor showing the interest in the speakers subject. Mr Jewett illustrated his talk with a display of British and Canadian Gold coins.

Also on display were a set of three gold Tonga coins, the koula, the half-koula and quarter koula, these beautiful specimens were exhibited by Alex Munro. The speaker included in his display the series of 13 postage stamps of Tonga, these are large circular stamps each reproduces in the center one or other of the three gold coins of Tonga.

Also on display were Ted Merners usual case of Silver Dollars, this month it was the 1953 Dollar of which there were 10 varieties on show. I understand at the next meeting it will be varieties of the 1952 Dollar.
