## LAST MEETING:

The August meeting of the North York Coin Club was an "experimental meeting" because the executive had asked the members at the June Meeting by way of a vote if there would be enough interest to hold a meeting in the holiday season. The members voted YES and the result is as follows.

About thirty-one members and guests turned out to view a number of colour slides, taken by your secretary Paul Petch and narrated by your editor, of the Montreal area where the Canadian Numismatic Association's convention was held and to discuss the many activities and highlights of the Convention. There was no scheduled speaker and many interesting topics from proof sets to future meetings was discussed. A small auction under the direction of Leon Safer concluded the meeting at 9:30 p.m.

The meeting was short, but informative and interesting and for an experimental venture the result was excellent.

## NEXT MEETING:

The next meeting of the North York Coin Club will be held on Tuesday September 28, 1965 at the North York Community Hall, 5090 Yonge Street Willowdale, Ontario. Doors open at 7:30 p.m. meeting starts at 8:00 p.m.

The guest speaker for September is a well known numismatist and a member of the Oakville Coin Club, Mr. David Ash. David's topic will be on English Coins and for all the British collectors this meeting promises to be quite good.

The usual draw prize and auction will conclude the meeting so please plan to attend. If there is anyone you know who is interested in the hobby of Numismatics, invite him or her along. They WILL enjoy it!

## LOOK OUT!

Your editor is trying something different again! Since the last couple of meetings have been short, summer numismatic news of North York has been harder to come by, so for this meeting only the bulletin will be on letterhead size paper. Back to our usual format in October.
