LAST MEETING:

The last meeting of the North York Coin Club was unique as well as very colourful and interesting.

To start with, Mr. Bill Dawe gave a short talk on a specialized field of numismatics. The topic was "Trains on Coins, Medals and Tokens". To accompany his talk, he had a display of such items that were representative of Brazil, Mexico, Etheopia, Spain, U. S. A. and Canada.

Following this was a short intermission.

The guest speaker for the evening was Mr. Cale B. Jarvis of Canada Coin News, and it certainly wasn't his night! He had brought with him colour slides of his middle-east trip to Israel, and just as he was about to show them, he dropped them. While he was re-assembling them, the auction was held conducted by Leon Safer. The items were all his own because there were no other material entered because of the small attendance due to the Hockey game.

The colour slides that Mr. Jarvis brought were excellent. He showed his entire trip through Israel which included such points of interest as historical sights, and ancient ruins, which are always being discovered and unearthed even while installing pipelines etc. The people of Israel are mainly Israeli and Arabic and the struggle for a good life was evident by the simple homes of the city dwellers, the small huts of the farmers and the tents of the desert nomads.

Mr. Jarvis also had pictures of the many interesting people he met such as the directors of the various Mints in the area and other friends he met while there.

To help the members, Mr. Jarvis provided a map of Israel and the surrounding countries so that everyone could follow this most interesting journey through the middle-east.

Applications for membership were approved for Mr. Ron J. Dickinson #212, and Mr. Arnold Linetsky #213.

NEXT MEETING:

The next meeting of the North York Coin Club will be held on Tuesday, May 24, 1966 at the North York Community Hall, 5090 Yonge St. Willowdale, Ontario. Doors open at 7:30 p.m., meeting starts at 8:00 p.m.

The guest speaker for next meeting will be Mr. John Regitko. John is well known for his unique collection of mint errors on coins. His topic for this meeting will be "Statistics of Numismatics" which should be very informative as well as interesting.

The weather is getting better, and there are no Hockey games to keep you in so come out and enjoy an evening of numismatics and support your club.

COMING EVENTS:

If you are wondering what happened to N. Y. C. C's annual Coin Show and Auction, don't despair! The event is still on, but in the late summer this year.

The date is Saturday, September 10, 1966 and this show promises to be the best yet. Good weather, and attendance is in our favour, so circle that date right now on your calendar and plan to come. That's September 10 1966. A good event to cap off your summer fun!
