NOVEMBER, 1969

MEETING # 113

LAST MEETING:

For the last meeting, your President, Mr. Harvey Farrow presented a film on the benefits of having and using lockers, safes, and security files for your coin collection or any other important papers or items.

The film not only covered these advantages, but showed how they were constructed and installed. In this age of expanding crime, the average collector doesn't stand much of a chance against the sophisticated burglar and so to protect his collection must resort to a bank safety deposit box or take that chance and leave his collection at home. The Remington Company produced the film as a sales lever to promote their goods, but certainly got across the need for something in the way of protection for the average person.

The club wishes to thank Harvey for showing this film and trust that he can convey the club's thanks to Remington from whom he borrowed both the film and the projector.

It was most disappointing to learn of the attendance at the last meeting. There were only 9 members and guests who bothered to come out. WHAT IS WRONG??? ARE THE PROGRAMMES THAT BAD? IS NO ONE INTERESTED IN NUMISMATICS, OR NORTH YORK COIN CLUB ANY MORE? IF THIS IS THE CASE, THEN WHAT ABOUT NEXT YEAR, 1970?

Well we (the executive) have done just about everything we can think of to correct this and still no one bothers to support the club.

NEXT MEETING:

The next meeting is the most important gathering of the year as far as the future of the club goes. It is usually the annual nominations for your new executive, and if an election is required, this is held in December. It doesn't look good as far as the nominations go, since none of you is willing to serve. Every one of you were called or an attempt was made to reach you during the last 3 weeks and most everyone was sorry to hear of the clubs position both financialy and otherwise. You were asked for suggestions on how to re-vitalize the club and many were received. These will be discussed among the executive and a decision will be made at the next meeting.

As of right now, the club does not have enough money in the treasury to hold a December meeting, so this meeting in November maybe the LAST regular meeting of the club.

It is a pity to see an organization such as North York Coin Club fold after 9 years of existance, but it is also rediculous to continue in this manner. If you are at all interested in YOUR club, please plan to attend this next meeting. The only thing planned is the Club's Future!

This next meeting will be held as usual at the North York Community Hall, 5090 Yonge Street, Willowdale, Ontario, on Tuesday November 25, 1969. Doors open at 7:30 p.m., meeting starts at 8:15 p.m. Hope to see you all there.
