NEXT MEETING: The April meeting of the North York Coin Club will be held at the North York Memorial Community Hall, 5090 Yonge Street at 8:00 P. M., Tuesday, April 25, 1972. The guest speaker will be coin dealer William F. Lavell, a very early member of our club, who will talk about numismatics in general and his experiences as a collector and dealer, and will also show a display of coin spoons.

LAST MEETING: The March meeting of the North York Coin Club was held at the Community hall on Tuesday, March 28, 1972. Michael Zigler performed a chemical assay on a silver dime; a process which everyone present found very interesting and informative.

Ken Bunnett showed a series of slides and spoke briefly on the subject of ancient coins.

Fred Jewett reviewed two new publications: the "Numismatic Chronicle" published annually by Britain's Royal Numismatic Society, and the new "Standard Catalogue Of World Coins" issued by Krause Publications.

President Harvey Farrow also reviewed two books: "Pioneering In North York" by Virginia Hart, and "Toronto" by Bruce West. He displayed examples of the various medallions struck on special numismatic occasions for the Toronto Coin Club.

The lucky draw prize of a silver dollar was won by Miss Jean Orr.
