NEXT MEETING: Following the vacation recess, we will reconvene at 8:00 P. M., Tuesday, September 24, 1974 at the North York Memorial Community Hall, 5090 Yonge Street. Our guest speaker will be Mr. Robert Aaron, the Toronto Star's coin columnist, who will show the slides which he recently took at the Royal Canadian Mint. I understand that this is the first time that some facets of the Mint's operation have ever been photographed. This will be an extremely interesting program and I urge all our members to try to attend.

LAST MEETING: The club's June 23 meeting took the form of a picnic at the home of retiring President Roger Fox. The weather was fine, the food was delicious and the gathering was well-attended, so, if you couldn't or didn't come, you really missed something. A short business meeting was held in order to get a few things straightened out before the summer. In order that the necessary bank forms could be changed, a motion was passed that "whereas the President has notified the meeting of his retirement as of August 1, 1974, it is moved that Stanley Clute be appointed President to serve out the remainder of the term." Following a suggestion by George Fraser, members voted to institute a "Pandora's Box" for junior members beginning at the September meeting. An explanation of this box will be found a little further on in the Bulletin. Roger reported on progress for the November 15 dance. A buffet dinner was served, along with a hamburger and hotdog barbecue. On behalf of the club, I would like to thank the ladies who prepared and served the meal. I would also like to thank the Fox family for hosting us.

CONGRATULATIONS to club member Ted Banning who was named the 1974 recipient of the Debbie Jane Gould Memorial Award by the Canadian Numismatic Association, as the outstanding young Canadian numismatist of the year. Ted was nominated by the North York Coin Club.

OMMISSION FROM JUNE BULLETIN: In typing up the June issue of your bulletin, the Editor forgot to include one item of business under the heading of "LAST MEETING". At the May meeting the club members passed a motion to nominate member Ted Banning of Grafton, Ont. for the C.N.A.'s Debbie Jane Gould Memorial Award. Due to typing up the bulletin in the midst of a heavy end-of-season schedule, I accidentally missed this item, and wish to apologize to all members.

PANDORA'S BOX: As mentioned earlier in the bulletin, the club will be instituting a Pandora's Box at the September meeting. This is a box in which any members may place extra or duplicate coins to be given out among our junior members, to help their collections along. Any junior who is a member of the North York Coin Club and who signs in at the reception table at the meeting will be eligible to pick one coin from the box when it is brought around to the juniors.

THANK YOU: A hearty thank you to Thistletoen Coin Club for their generous donation of 47 minor world coins to start off our Pandora's Box!!!

A WORD ON THE OLYMPIC COIN PROGRAM: In June, the club mailed out an announcement with our bulletin, about the Olympic Coin Program's offer to club members. During the summer, several changes occurred in the administration of the offer. Frank Rose Enterprises relinquished its contract with the Olympic Committee and the Olympic Coin Program introduced a new program whereby it will handle the mailing itself and has also made some price adjustments. In view of these developments the executive of the North York Coin Club decided to embrace the new program and the list of those members who indicated an interest in finding out about the "club member program" was forwarded to the Olympic Coin Program. Remember: just because you may have indicated a desire to receive the introductory literature about this program, does not mean that you are obligated to buy the coins. No one can force you to buy the Olympic coins if you decide, after reading the literature, that you don't want to.

WELL REPRESENTED: North York Coin Club was well represented at the recent C.N.A. Convention in Hamilton. To my knowledge, at least a quarter of our membership put in an appearance sometime during the three days of the Convention.

NEW MEMBERS: Applications for membership in North York Coin Club have been received from the following people: Mr. and Mrs. Robert Crow, Mr. Andrew Crow (junior membership), Mr. Siri Wijetunge, Mr. William To, Mr. B. H. Cook, Mrs. Audrey Smith, Mr. Shane Choi, and Mr. Edward J. Sammut.

TOREX: As you all know, the North York Coin Club is hosting the fall Torex '74 Convention on October 10, 11, 12 and 13. That is, we are looking after the exhibits portion of the Convention, under the very capable Chairmanship of John Dewyze. I would like to take this opportunity to ask any of our members who can spare some time to help with the exhibits or to man the club table at Torex to please lend us a hand. Let's make North York's part in Torex something to be proud of!

FOR YOUR CONVENIENCE, we have reproduced below a copy of the timetable for Torex along with a map to help you get there.
