LAST MEETING; Attendance was excellent with members of Toronto Coin Club our invited guests. Mr.Donald D.Paterson, designer of the 1975 Calgary Silver Dollar was speaker and talked on graphics and the application of same to designs on coins and displays and gave numerous ideas on setting up display cases to attract eye appeal.Mr.Paterson called on three volunteers to draw some lines on a large sketch pad, completed sketch,autographed same and gave to volunteers; a fourth sketch was handed to the club auctioneer and realized a tidy amount in the auction. An interesting and lively question and answer period followed.
