ONTARIO NUMISMATIC ASSOCIATION

Paul Johnson, well known member of North York, and Ontario director of the C.N.A., will give a talk on Icelandic Currency. Paul has carefully researched this topic and has a set of slides to illustrate his subject. If you have any Icelandic Currency, you are invited to bring it with you.

LAST MEETING:

The on time attendance draw was won by Paul Johnson.

The minutes of the Nov. 28th./78. meeting were read by our secretary Mrs. Lucille Colson, and adopted.

Mr. Thomas Masters was welcomed as a new member.

An interesting discussion place when Mr. Jewett announced that our Feb. meeting had been designated as Junior Night, but as we are short on junior members who are old enough to take an active role in a meeting, plans may have to be changed, although we would continue our policy of helping our junior members in every way possible. Several suggestions came from the floor for promoting a drive for more junior members. These included appointing a Counselor for Juniors. Have every junior member invite a friend, and that as all Sr. members should be a counselor to junior members, that all seniors should invite a junior. Other suggestions were to consider giving a numismatic talk to a school class, Scout meeting etc.

Our Speaker for the evening, Mr. Tom Masters, was introduced by our President Mr. F.C. Jewett. Mr. Masters gave a most interesting talk on Benjamin Franklin, The Franklin Half Dollar and The Liberty Bell, complimenting his talk with slides. Mr. Masters was thanked on behalf of the Club by Ken Bunnett.

Applications for membership:

Applications for membership have been received from; Mr. J. Edgar, Thornhill, Ont. and Mr. G. Williams, Thornhill, Ont. When approved they will become numbers 352 & #353.

The draw prize winners were; Basil Latham, Mrs. May Bunnett, Tom Masters, Jack Edgar and Henry Burke.

We missed Jean Orr when it came time for coffee break, and hope she will be back from Florida for our Feb. meeting.

The meeting concluded with an auction conducted by Harvey Farrow.

ANNUAL SHOW:

The NORTH YORK ANNUAL COIN SHOW AND WHITE ELEPHANT SALE, follows our Feb. meeting, coming at the end of the week, on Saturday, March 3rd.

In the past, North York has had many outstanding successful shows. We want this years to be as good or better than previous years. It will be with everyone working together. Mr. Jewett has informed me that all the bourse tables have been sold and some late-comers had to be turned down. Norm Belsten has been busy contacting exhibitors for the display competition, and we will be looking forward to seeing lots of displays. There is one area of the show that we can all contribute, that is the White Elephant and book sale. We need help in this part of the show.

We are not asking you to stand behind the tables all day, to sort, price and sell all the goodies that are donated, Mrs. Graham, Mrs. Colson, Mrs. Beattie and a few others have been doing this, for a great number of years and a few volunteers will be needed to help out. But for now all you are asked to do is look around for some of those odds & ends that you will be throwing out come Spring cleaning. Please bring a box or shopping bag of your discards to the meeting on Tuesday night. It does not have to be Numismatic, pots, pans, china, glassware, books, Knick-nacks, anything will be welcome. Mrs. Graham tells me she has a set of golf clubs, that was donated by a non-numismatic friend. tell your neighbors about our show, they may have things they would like to be rid of.

As this event is our only outside source of revenue for the year we need your support. The Show will be on all day from 10, AM. to 8, PM. in the North York Community Hall, 5090 Yonge St. Willowdale, Ont.

COIN WEEK CANADA 1979. Sponsored by the C.N.A. and its affiliated clubs to educate the public to the Coin Hobby.

As C.N.A. club delegate at the London convention, I recieved from Ray Gregory, the C.N.A. club liason officer, copies of the 1979 Canada Coin Week Logo, A preliminary report form and final participation report form.

Paul Johnson has been contacting library branches around Metro regarding the placing of manned displays in them during COIN WEEK CANADA April 15th. to 21st. 1979. He will need volunteers to man a display in North York. He will tell you more about this at the February meeting.

Some other suggestions for participation in COIN WEEK CANADA. An Open House Meeting of the Coin Club. A manned display in a Shopping Mall, Guest appearances by club members on local television or radio talk shows. If you like any of these ideas or have other ideas to promote "Coin Week Canada", Bring them up at the February meeting, when "Coin Week Canada" is discussed.
