Mr. Jewett announced that this was the 1st meeting in our 20th. year of operation and that it was also the termination of his term as President. He then called upon Mr. Bruce Watt, President of the O.N.A. to act as Installing Officer in the installation of the new executive.

After the installation ceremony, the new President called on the Treasurer Dan Bowyer to read the treasurers report for the year ending Dec. 31st. 1979. The report was approved and passed.

This year the Show will be closing at 5Pm. We found
in former years that the evenings were very quiet.
Lets make it an exciting day.
