NEXT MEETING: TUES. APRIL 22nd. 1980.

PROGRAM: O.N.A. FILM, "COIN COLLECTING

HAS MANY FIELDS".

MEMBER:

CANADIAN NUMISMATIC ASSOCIATION
ONTARIO NUMISMATIC ASSOCIATION

The April meeting of the North York Coin Club will feature a Film entitled "Coin Collecting has many Fields". This is a recent addition to the O,N.A. Audio-visual services and will be of interest to the novice collector and veteran alike.

Coin Week Canada will have been concluded and we expect to see many new faces at the meeting. We hope to make the program interesting enough to them that they will want to come back.

LAST MEETING:

President Harvey Farrow welcomed the members and guests to the 223rd. meeting of the North York Coin Club. The minutes of the 222nd. meeting were read by acting secretary Dan Bowyer.

They were approved and passed. Dan then read the financial report of our Annual Show, held March 1st/80. It showed a net profit of \$194.00. Approved and Passed.

ON TIME ATTENDANCE DRAW: Bob Porter's name was drawn. As he was not in attendance, the prize will be \$8.00 this month.

The feature of the meeting was C.N.A. Night. Jack Veffler, President of the C.N.A. was the first speaker. It is a miracle that the C.N.A. continues to exist, said Jack, with only 2 executive meetings and one general meeting each year. A tremendous amount of work has to be done by the individual officers and committee members on their own.

Touching on finances, Jack pointed out that it takes One third of the membership dues to pay for the secretaries office, The costs of the journal are also very high. All the Officers of the Association pay their own expenses.

This year the C.N.A. is helping the Coin Week Canada effort by publishing and distributing all across Canada, a booklet entitled "An Introduction to Coin Collecting". This is a book that will be interesting to the new collector and veteran collector. The books were made possible by a donation from the J. Douglas Ferguson Foundation.

Jack went on to tell in capsule form, some of the other activities of the C.N.A. including the Junior's program, which is headed by Grant Monk. The Library slide sets are being copied, so that there will be a minimum of delay in getting requested sets to the Clubs, They are also being sent by 1st. class mail. The membership is increasing. Jack pointed out that any questions should be sent to the Executive Secretary, and that criticism should be of a constructive nature when possible. We agree Jack, it is a miracle that a National organization, such as the C.N.A. continues to exist. It is only possible by the dedication to service of the board and committee members working hard and pulling to-gether.

Jack was called on to answer many questions from the floor.
