An outstanding environmentalist, A numismatic collector for over twenty years. Dr. McIntyre delighted the North York Club members in 1978 with his slides, movies and talk on "the Seychelle Islands". Those who heard him then will be enthusiastic to hear & welcome him as he brings us another fascinating subject. Come & bring a friend on the 28th.

LAST MEETING: Dr. John Wilkinson was our Guest Speaker. His talk and slides on ancient Greek & Roman Coins was an education to all of us. Most of the coins shown are seldom seen outside of a museum. and Dr. Wilkinson's expertise in this field brought to life many historical names we had read in history books. Dr. Wilkinson was thanked by Dan Bowyer.
