Marvin Kay gave an excellent talk on the "Coins of Israel" showing slides of the geographic scenes of the country, showing the various coins issued from the mandate of Israel's independence over the last 25 years. He also mentioned the various group organizations you can join to know more about the coins of Israel.

Wally Ciona gave the financial report of the club for 1982 which showed that we had a deficit of just over \$300.00 for the year, considering that the postal rates had gone up 76%, monthly rental 10% and we had for first time the special meeting in September for our old time members.

George Gale gave a short talk on Byzantium coins which he had a display case full of some of the coins.

The draw prizes were won by the following: Wally Ciona (2), Basil Latham (2), Ted Boxall, George Fraser, Ian Marshall (2), Murray Baigent, Bill Brennand, Martin Talavera, John Regitko, Joseph Talavera (2), Ron Postill, Jim Heifetz, Sam Snider (2), Ron Zelk, Leon Saraga, Glen Williams, and the following guests: Mark Alter, R. JUNIOR'S BOX NAME: Four juniors were at the January meeting and they have submitted the following names for the old "Pandora's box", which the members will vote on at the February meeting as stated last month. The four names submitted are: "THE MINT", "COIN BOX", "PENNY BOX", and "THE MINI BOX". So come along out to the February meeting and help pick the name of the new junior box.

COIN WEEK CANADA: The last meeting held on January 27, the local clubs will donate \$15.00 this year only as there is enough flyers left over from last year's Coin Week to give out this year since there will be no exhibit again down at the C.N.E. this year. With the donation this year and when the 1984 dates come around the club's will not be hit so hard for donations when they will have to have new flyers printed. The next meeting for this area will be held on February 24, at the same location as the last meeting: Our own club will have the "U" shape display cabinet at the Fairview Library from March 15 to May 15, holding a various items on numismatic material in it. So if you are in that area drop by after March 15, and see the display. There will be more news about Coin Week Canada from Ron Postill at the next meeting of the club.
