NEXT MEETING: Tuesday, June 26th: Will feature "Women In Numismatics". Programme Director George Fraser is trying to get some of the lady members to put on the programme for this meeting. We think the hobby is mostly for the men but a lot has happened in every club where the women have been active with their husbands or boy friends. Some of them have served in every capacity of a club from the President right down to Social Convenor. Some have gone on to become Presidents of the C.N.A. and the O.N.A. Some women have won the top prizes in the local and national shows for their exhibits. Some are professional dealers and some have been "dragged" into the hobby by their husbands who are dealers. This should be quite an interesting meeting for both the men and ladies of the club.

LAST MEETING: The "On Time Attendance Draw" the name of Ida Berry was pulled but not being in attendance the prize for the June meeting will be \$6.00.

The programme for the evening was a set of slides obtained through the C.N.A. Library. The Projector and the script was read by Paul Johnson. It was a very interesting set of slides where you can focus on a object as a boat and so many countries have put boats on their coinage for many years.

NEW MEMBERS: The application of Ida Berry of Oakville was accepted as a member of the club. An application for membership has been received from Mr. Peter Wong of Toronto. If no objections are filed before or at the June meeting he will become member #427 in the club.

June, 1984 Bulletin continued page 2.

DRAW PRIZE WINNERS: This month's winners were the following: Martin Davison (2), Lucille Colson, Howard Richardson, (2), Roger Cunnington, Paul Johnson, John Curtis (2), Jean Orr, Albert Kasman, Norm Belsten, John Regitko, Walter Simpson, Ron Zelk (2), Eliza Beatty, Gertrud Weise (3), Jim Millar, Ted Boxall, and finally Allan Weighell.

Ron Zelk gave a report on the recent O.N.A. convention and since the last meeting the club has received from the O.N.A. the amount of \$64.00 which represents 32 books of tickets that were turned in with the club name as the recipient of the \$2.00 rebate the O.N.A. gives to clubs for selling their draw tickets. We came in fourth overall in Ontario with the most books turned in with our name on them. Only Stratford, Ingersoll and Sarnia were above us in the total with the top of 102 books going to the Stratford club where the O.N.A. will be held next year. The club would like to thank the members who put the club's name on the ticket stubs the amount received from the O.N.A. helps pay the rent at the hall for a month and half.

Both Ron Zelk and Wally Ciona outlined some of the events which will take place for our 25th. anniversary show and banquet which we hopefully we will be able to book space at the community hall for the around the middle of March. In brief, we will issue two "woods" one for the event of the show and one for the people only going to the banquet in the evening. We will have a well known name for the banquet speaker. We will be putting out books of tickets similar to the ones put out by the O.N.A. for a draw with a gold coin as the first prize in the draw. More news on this during the summer months ahead.
