The 301st meeting of the North York Coin Club was held on Tuesday, January 27th, 1967, at the North York Community Hall.

The On-Time Attendance Draw was won by Sam Snider. His prize was \$2.00.

In accordance with a policy established four years ago, President Harvey Farrow advised us that two more members of our Club have had 25 years of continuous membership. Unanimous approval was given for the presentation of Life Membership plaques to Fred C. Jewett and Vincent G. Greene. Approval was also given for the presentation of 15-year plaques to Carl Anderson, Paul Johnson and Basil Latham.

Wally Ciona distributed copies of the 1966 Financial Report. This showed that the NYCC had a net profit on \$1405.73 on the year's activities. Fred Jewett suggested certain changes so that the annual report would follow more proper accounting procedures. Wally's report was then accepted by the membership.

The program for the evening consisted of a set of slides from the CNA Library. The topic was Canadian Trade Dollars and the 25-minute show had recorded commentary which was narrated by Jerry Remick. George Fraser displayed some of his Trade Dollars and he also spoke briefly about some interesting Trade Notes. Then Paul Johnson, the Toronto Area Director of the CNA, followed with a presentation of some slides depicting the activities and services of the Canadian Numismatic Association.

Jean Orr prepared the refreshments in the absence of Ted Boxall.

Lucky Draw Winners.....Paul Johnson, Sam Snider, Erik Uotruba, Marvin Kay, Harry Scheinman, John Curtis, Harvey Farrow, David Uotruba, Carl Anderson, Howard Richardson and Jean Orr.

An outstanding auction of 32 lots was run by Carl Anderson with assistance from Basil Latham. The highlight of the auction was the sale of a 1948 silver dollar in 'Good' condition. It was knocked down for the princely sum of \$115.00, the highest price of any item in the NYCC auction in a long, long time!

Rumour has it that there will be another scarce item in the next NYCC auction. Come prepared to bid on a 1948 Canadian fifty-cent piece at the February meeting.

The program at the February 24th meeting will include a slide show from the CNA library. The show consists of about 40 slides originally from the ANA, and illustrates coins which represent milestones in numismatic history. You are invited to bring along some coins from your own collection which have an unusual and special significance for you. Share with the rest of the members a few coins which have a unique and distinctive meaning to you.
