

Dear Club Member:

The 348th meeting of the N.Y.C.C. was held on Tuesday, January 22, 1991. The president Ron Zerk welcomed the 22 members present to the first meeting in the new location. At this time he announced that HARVEY FARROW was going into the hospital for minor surgery and hence the Annual Report would be postponed to the next meeting as would the passing of the Mint Box and the drawing for the On Time Attendance Bonus pot.

THE NORTH YORK COIN CLUB HAS MOVED TO THE EDITHVALE COMMUNITY CENTRE as of our January meeting. REMEMBER: do not to go to old location.

The following new member was welcomed: #463 GRANT MONCK of Toronto.

As the expected slide presentation on Can. \$1. Bank Notes appeared to be lost in the mail, PAUL JOHNSON stated he hastily substituted a slide set on "CANADIAN FRACTIONAL CURRENCY", which had been produced by the O. N. A. some 20 years ago. Unfortunately, rather poor specimens were used in the slides but the commentary was very interesting and informative. It was encouraging to note that this type of collection is not beyond anyone's reach either in availability or financially as there is only 10 variations of Shipplasters or 25c notes in a collection. ~~These were first issued in Canada in 1870 and, due to popularity, were re-issued in 1900 and 1923 with signature and letter changes. They were recalled in 1939.~~ Paul announced that he is in the process of upgrading this presentation with additional and improved material from the late Vic Snell's collection. Paul received many queries and thanks from the floor. THANKS PAUL.

RON announced that, somehow in the move from the community hall, the pump for the coffee machine went missing so there was no coffee. However, TED BOXALL did a fine job preparing extra orange juice and serving Xmas cake and cookies which were enjoyed by everyone.

The club will sell O.N.A. raffle tickets so anyone wanting tickets, please see Harvey. The draw is April 28th at the O. N. A. convention in Oshawa.
