The 350th meeting of the N.Y.C.C. was held on Tuesday, March 26, 1991. The president Ron Zelk welcomed the 20 members and 2 guests present.

The mint box: BRADLEY PETCH was present, so he dipped into the mint box and enjoyed taking one fistful of coins and whatever else was in the box.

The on time attendance draw came up with MARILYN WILLIAMS, however since she was not present to accept the \$4.00 pot, it will be \$6.00 next month.

Some bad news: BOB PORTER broke his leg in two places and will be out of commission for a while, there were two deaths within a week of each other both by heart attacks. Member ALAN WEIGHELL and former member ERIC MILLER died suddenly so a moment of silence was observed. We will miss them both.

Since our secretary LUCILLE COLSON was on holidays, HARVEY FARROW took the minutes of the meeting.

The speaker for the evening was our own President RON ZELK. His talk was on "Canadian Paper Money, Bank Notes from 1937 to date". Ron had several items from his collection on hand for the members to view at the break. He started with the 1937 series of King George VI, then showed some samples of the 1954 Queen Elizabeth series. He showed the difference between the "Devil's face" and modified hair notes. He then talked on the Multicolor series from 1969 to 1979. There were some samples of replacement notes as well as "radar" notes. The last part of the talk was with the bird series of 1986 to date, the current circulating notes. After his presentation he answered questions from the floor. Thanks Ron for an interesting talk.

Refreshments were served by TED BOXALL at the break and enjoyed by all.

The club will sell U.N.A. raffle tickets so anyone wanting tickets, please see Harvey. The draw is April 28th at the U. N. A. convention in Oshawa.

NEW: Suggestions for the betterment of the club. This meeting there were none. This will enable the Executive to receive ideas from members.
