President's Message

Looking beyond the November meeting, it will only be a couple of extra weeks before we hold our annual Christmas Party Meeting on Thursday, December 8. I hope that we can look forward to all members setting aside the time to join us for the party. It's an excellent opportunity to bring along a guest as well. A deposit of \$5 per person should be paid to Harvey Farrow at the November meeting. Harvey will accept telephone reservations and cancellations up until Tuesday, December 6. His number is (416) 923-5545. We will also hold our traditional voluntary gift exchange. Minimum gift value should be \$5, please.

Members will find their annual membership renewal enclosed with this bulletin mailing. Please bring or mail your dues as soon as possible.

Next meeting

The next meeting of the North York Coin Club will be held on Tuesday, November 22, 1994, at the Edithvale Community Centre, 7 Edithvale Drive. While it was announced for the October meeting, we can guarantee for sure that this meeting will feature a showing of the new CNA slide set "Bank Notes of the Bank of Canada, 1935-1993". This material has just been contributed to the slide library by Ted Leitch and the London Numismatic Society. Paul Johnson confirms that the slide set is now in his hands and that the quality of the set is outstanding, so don't miss it!

News from the October 25, 1994 Meeting

The 389th meeting of the North York Coin Club was held on Tuesday, October 25, 1994. The President, Ron Zelk, opened the meeting at 8:00 p.m., welcoming 24 members and two guests. The on time attendance draw for \$2 was won by Norman G. Gordon. That means that the pot does not get a chance to grow and it remains at \$2 for the November meeting. There were no juniors present to draw from the mint box. Thanks to Bob Porter for taking the minutes of this meeting while Lucille Colson was down with the flu.

A review was made of upcoming shows. Ron Zelk gave a detailed report on the Fall Torex Show held on the previous weekend.

Membership applications have been received from Nathan Naster, #491 and Bernard (Bob) Velensky, #492. These applications will become memberships if no objection is received at the November meeting.

The **CNA Night** programme was hosted by Paul Johnson. Our first speaker was CNA President and Club member Marvin Kay. Marvin reminded all members that the CNA is a vibrant and essential part of the Canadian numismatic scene. He itemized an exciting list of CNA initiatives, projects and services:

- Task Force 2000 vision statement
- an electronic numismatic bulletin board
- a re-birth of Coin Week Canada
- an upcoming convention in Calgary in July, 1995
- a CNA Member Club directory was compiled and published in August, 1994
- a bigger and better CNA Journal was started in January, 1994
- the CNA is working with the Royal Canadian Mint and world mints on a proposed "World Peace" 2000 commemorative
- the CNA has the largest numismatic lending library in Canada
- the CNA has a comprehensive, low-cost insurance plan available to all members
- planning has begun for a CNA 50th anniversary celebration
- and, thanks to the generosity of Bill Cross, Charlton Press, the CNA can offer complementary coin books. A set was offered to anyone who joined up during the meeting.

These points, with more detail, will form a year end message from our CNA President in the December Journal.

Next, Norm Belsten presented a review of CNA Woods. Drawing on his vast computer catalogue of over 5000 woods, Norm revealed he had found that 360 have a CNA tie-in. The first was from the 1959 Regina convention with paper glued to a wood base. They appeared sporadically after that. A single

wood from 1971 and three from 1976 became a flood of 20 to 30 through the late 1970's. By 1989 and that year's Quebec convention, no fewer than 52 appeared. The editor extends his appreciation to Norm for providing the entire listing of CNA Woods on computer disk. It has allowed us to include a CNA Woods supplement with this bulletin.

Paul Johnson finished off the CNA programme with a review of his CNA memorabilia. The diverse set of material included Banquet Menus, the Charlton Standard Catalogue of the CNA's Medals and Awards, an examination of the Journal's evolution and CNA Bulletins from 1950 through 1955. From these Bulletins he shared readings on the 1926 far-6 5 cent piece, the 1921 50 cent piece and the 1952 no water line silver dollar.

Paul Petch remarked on a recent experience he had "enjoyed". He was involved in sorting, counting and rolling over \$3,000. in change collected during a Boy Scout Apple Day drive at the north-western edge of metro. He noticed that 1992 commemoratives are circulating, that TTC tokens are easily confused with 10 cent pieces, that 1991 25 cent pieces are next to impossible to find and that quite a variety of foreign coins (besides US) are being passed. These include German 1 pfennig, Great Britain 1 penny, 10 penny and 1 pound(!) pieces, and coins from New Zealand and Jamaica. Most surprising were a 1953 no shoulder strap 5 cents and a 1947 maple leaf 1 cent. This was not a very complete examination of the coin hoard, so it is interesting to contemplate what interesting Canadian pieces may have slipped through.

Ted Boxall served coffee and cookies during the break with soft drinks for those who did not want coffee. Thanks Ted.

The lucky draw winners were: Italo Villella, Bob Porter(2), Tom Wilson, Graham Page and Paul Johnson.

The meeting closed at 9:25 p.m.

Question-of-the-Month

The November questions of the month are linked to the slide show. On what date did the Bank of Canada "open for business"? What were the denominations of notes that it issued in its first series? Does anyone know the ratio of English text to French text notes?

For our October question we asked you to research: In what year was the CNA formed? (1950) Who was the first President (Sheldon S. Carroll) and Honourary President (L.J.P. Brunet). And was the number of members at the end of the first year (224 -- source: the December, 1950 Bulletin!)
