Our next meeting will take place on
TUESDAY, OCTOBER 22, 1996.

RON ZELK

will be the main speaker.

His topic is entitled

"THE ROYAL BANK OF CANADA"

Here is a summary of the minutes of the 409th meeting which took place on September 24th. The full, detailed text of the minutes will be read at our next meeting.

Al Bliman was in the Chair. He gave a report on the club show.

Marvin Kay spoke about Terry Fox, the young man who lost his leg to cancer. In an effort to help cancer research, Terry began a run across Canada. Every year since then, there has been a Terry Fox run held in numerous locations across Canada. Marvin showed a fantasy banknote with a picture of Terry Fox.

Harvey Farrow gave a comprehensive report on the Montreal convention of the Canadian Numismatic Association last July. Most people had a good time but many were disappointed that the banquet speaker gave his presentation entirely in French.

Ron Zelk reported on the launch of Numismatic Network Canada. There is now a Canadian numismatic home page on the Internet.

Paul Johnson gave a glowing account of the ANA convention in Denver. While there, Paul was awarded the new ANA Numismatic Diploma. He is the first Canadian to earn the title of 'Master Numismatist'.

We are grateful to Norm Belsten and Norman G. Gordon for their generous donations.

HERE'S A CHALLENGE TO ALL MEMBERS.....

October 14 is Thanksgiving Day in Canada and 'Columbus Day' in the USA. Can you bring to the next meeting a numismatic item pertaining to either one of these holidays in particular or to 'October' in general.
