

5TH MEETING
JUNE 28, 1960

NORTH YORK COIN CLUB

PRESIDENT
John K. Curtis

BULLETIN

VICE-PRESIDENT
Ceil M. Langille

(A)
The 5th., meeting of the North York Coin Club was held at the North York Public Library, Willowdale, on June 28th. 1960.

19 members and 6 guests were in attendance, 1 application for membership was received from,-

Mrs Jeanne Morgan, 11 Harlandale Ave., Willowdale, Ont.

The minutes of the 4th meeting were approved and all applications for membership received for that date were accepted by the Club.

It was moved by Herb Samways, and seconded by Lawrence Young that the Club as Chapter 28 of the C.N.A. purchase advertising space necessary for making meeting announcements in the C.N.A. Journal.

A talk on Canadian die varieties and die breaks was given by Ed Knight, after which it was suggested that coins, bearing new or unusual variations, or die breaks displayed by members at future meetings be recorded by this Club, and such items proving to be definite die breaks, or new varieties, be published along with the collectors name.

At the last meeting it was also suggested that a second page be added to the future Club Bulletins, On this new page, it is hoped that a series of articles of numismatic interest will appear, provided by members who wish to write about their collections. This new page will be added at such time when there is enough material to support it, as submitted by the members.

THE NEXT MEETING of the North York Coin Club will be held July 26th. at the North York Public Library, 5126 Yonge St. Willowdale, Ont. at 8pm.

At this meeting there will be a discussion as to the advisability of holding an August Meeting, in view of the C.N.A. Convention falling on the same date, and with the fact of members going away on vacation.

A short vist to Ottawa was enjoyed by your Secretary a few days ago. My wife and I had the pleasure of meeting Mr A.E.H. Petrie who conducted us around the Public Archives. From here we went to see Canadian coins being made at the Mint, and I think this vist would make an interesting talk, of which I hope to prepare for the next meeting, just in case we have fill in time to spare. Dont forget to bring along your die varieties; I intend to bring one or two that may be of interest also.

There are a number of membership cards to be issued, Any member that has not received same kindly get in touch with the Secretary at the next meeting.
