Mr Arthur Lavine gave a short talk on the C.N.A. and A.N.A. Conventions, and some interesting notes on visits he had made to the Ottawa Mint.

The Secretary read a paper on Canadian Tokens From a Historical Standpoint, illustrating the talk with a small display of Breton tokens.

The meeting concluded with a table auction, \$1.85 going to the Treasury.

COMING EVENTS; St. Catherines Coin Club Annual Banquet & Auction to be held Oct. 22nd. Queensway Hotel St. Catherines. A new Club has been formed in the Port Arthur area, known as the Thunder Bay Numismatic Club. We wish them every success.

THE NEXT MEETING of the North York Coin Club will be on October 25th. 1960 AT the North York Public Library, (COMMITTEE ROOM) TIME 8.30 pm.

There will be a talk by John Shepherd on British Coronation and Commemorative Medals. Illustrated by his unique collection. Commemorative medals were always a part of great name collections of the past. A series which has been overlooked by the majority of present day collectors. The beautiful work of the engravers through the ages provides us with true and pleasing portraits of the early monarchs in medallic art.

THERE WILL BE A FLOOR AUCTION at the next meeting, and we are fortunate to have Ed Knight as Auctioneer. The success of this depends upon the number of coins (in collective condition) that you bring.

Your Secretary-Treas.

Ken. Bunnett
