

SPECIAL NOTICE

It was decided at an emergency executive meeting that our Annual Exhibition will be POSTPONED until May 2, 1964 because of circumstances beyond our control;---just think, no blizzards to keep you away and the coming warm weather will make it a better event for everyone. See you there!!!

At the conclusion of last month's general meeting, Mr. Doug Foster informed the executive that he was resigning as President. He explained that the heavy work load of business life coupled with the fact that he was acting secretary and editor laid the basis for his decision.

A new slate of officers was thus chosen:

PRESIDENT: Mrs. Louise Graham, who was vice president will automatically assume the presidency for the rest of the term.

SECRETARY: The office of secretary, previously unfilled, will be under the direction of Dr. J. H. Stiles.

EDITOR: The office of editor, also previously unfilled will be under the direction of Roger A. Fox.

For this meeting, we are proud to welcome again Dr. John S. Wilkinson, past President of the C.N.A. as our guest speaker. This should prove to be both an interesting and informative evening for all.
