## NEXT MEETING:

The next meeting of the North York Coin Club will be held on March 23, 1965 at the North York Community Hall, 5090 Yonge Street, Willowdale Ontario. Doors open at 7:30 p.m. meeting starts at 8:00 p.m.

As special guest, the well known publisher of Canada Coin News, Mr. Cale B. Jarvis will be guest speaker for the March meeting. Since Mr. Jarvis is a prominent personality in Numismatics, he will undoubtedly have some very interesting anecdotes for all. Please plan to attend.

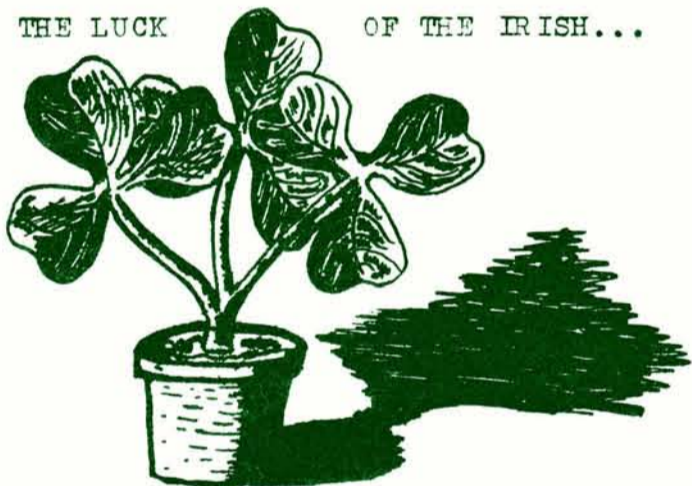

The usual draw for a 1964 Proof-Like Mint Set will be held and the floor auction will follow. Last month's auction was well supported by members bringing material. This month members are again asked to bring material to insure the same quality, but please no more than ten lots per person.

If you prefer, however, material for the Coin Show auction is needed and to make it a real success your support is necessary. For more in this regard please consult accompanying brochure.

THE LUCK

OF THE IRISH...

## LAST MEETING:

As guest speaker last month we were fortunate in having Mr. Martin Stocker formally of Sudbury and past president of the Nickel Belt Coin Club address the club. Mr. Stocker's talk was a pet topic of his entitled; "Coin Collecting as a Business or Numismatics as a Hobby".

He started by mentioning two types of coin collecting---for business or for relaxation.

As a hobby, Numismatics embodies many sciences and the individual or student may study one or many. With the knowledge obtained from

## JUST WHAT YOU NEED TO COLLECT COINS!

research, the individual acquires through memberships in clubs and organizations, lasting friendships, and a good social status.

Thus Numismatics has no size or limitations, and varies as you want it to.

An application for membership was received from Mr. Ken Postles, and congratulations to Mr. A. Hunter who was the winner of the 1964 Proof-Like Mint Set.

Since our annual Coin Show and Auction is just around the corner and because this is a special issue, your editor thought that the following might be appropriate:

### How to Wreck A Coin Show!!

1. Do not even think of attending, especially if the weather is bad!
2. Don't lend assistance, even if asked!
3. Don't enter an exhibit!
4. Don't contribute to the auction!
5. Don't encourage others to come!

There are lots more; can you think of a few?
