LAST MEETING:

As our guest speaker for last meeting, Mr. Cale B. Jarvis, publisher of Canada Coin News, spoke on a very controversial topic: "What is Happening in Numismatics?" Mr. Jarvis gave some reasons why numismatics is becoming more of a business than the hobby it once was. The main one being in the Press. Prior to the 1950's, Numismatics was relatively quiet and there was a greater opportunity to acquire good material at reasonable prices. Through the '50's and '60's magazines, monthly periodicals, newspapers, pocket books, etc have stimulated the hobby to such an extent that numismatics has skyrocketed, causing the great demand of today. There doesn't seem to be any relief in sight between now and late 1968 or 1969 due mainly to the increasing number of Canadian collectors, coupled with the onslaught of Americans due to their date freeze, the Canadian 92¢ dollar, the new Canadian series of 1965, our Centennial year in 1967, and the increasing demand for tokens and medals.

Mr. Jarvis answered many interesting and topical questions following his talk.

The club has just passed another milestone since it was formed in 1960. Applications for membership has just gone over the 200 mark. The new members are: Mr. Martin Stocker, Mrs. E. G. Turner, and Mr. F. W. Herensberger.

Applications approved at the last meeting are as follows:

| #194 Mrs. Loreen Winter | #196 Mrs. R. MacIntyre |
| #195 Mr. Paul Francey | #197 Miss. Carol Palin |

The winner of the 1964 Proof-Like Mint Set was Mr. Nick Jasztrab.
