Whole No. 71

LAST MEETING:

The last meeting of the North York Coin Club was held just two days after the largest snow fall of the winter and the biggest in many years. Although road crews had the situation well in hand, the weather conditions were far from excellent and could be seen in the club's attendance.

Mr. Lionel M. Affleck took over the president's chair from the late Mr. Martin Stocker and put forth a number of items Mr. Stocker was thinking about introducing during his term in office. Among them was the participation of club members in the library. Anyone who is interested in reading some of these books, should contact the librarian Mrs. V. Veale at the next meeting.

The speakers for last meeting were your secretary and editor, Mr. Paul R. Petch, and Mr. Roger A. Fox.

The talk was on a new frontier in Numismatics, "How Computers and High Speed Printers can effect your own Coin Collection". With the assistance of colour slides of an I.B.M. 1401 set-up and a printed report of an average collection showing all items listed by date and number, many of its advantages could be pointed out.

For instance, the person would have a complete listing of his entire collection with a face and a premium value. This would be handy for ready reference at any time, especially if a robbery occurred. It would also give the police and insurance companies a concrete basis in locating the coins.

These are only a few of the many advantages of such a system and may be reality in only a few years. A lengthy question period followed, showing the interest generated by the topic.

The film of the Christmas Party was shown and was followed by the auction conducted by Mr. Leon Safer.

Applications have been approved for #209 Mrs. Eileen R. Muir of Scarborough, and #210 Mr. Larry Becker of Willowdale Ont

Applications for membership have been received from Mrs. Dorothy Goodwin also of Willowdale.

71-1

NEXT MEETING:

The next meeting of the North York Coin Club will be held on Tuesday, February 22, 1966 at the North York Community Hall, 5090 Yonge Street, Willowdale, Ontario. Doors open 7:30 p.m. meeting starts at 8:00 p.m.

The guest speaker at this time will be member Mr. John Cloran. Mr. Cloran, a dealer and a student of numismatics will be speaking on Canadian Patterns. This topic is always interesting because it reveals a story about a proposed coin that was never issued. Please plan to attend.

REMEMBER THIS??

Here's hoping this doesn't happen again--for a year anyway!!

EDITOR: Roger A. Fox.
