Again, in our FREE Attendance Draw, your arrival before 8:00 p.m. makes you eligible to win a numismatic prize.

Mr. Robert Aaron, coin columnist for the Toronto Daily Star, will show his slides of European Mints. This should prove to be very interesting, so please plan on attending. There will also be a display of European paper money.

We will again have an auction, so please bring your duplicates to be auctioned off, and if possible bring a display and guests. Remember, This is Your coin club, and YOU must support it.

As the matter of next year's executive was not concluded at the last meeting, this matter will be discussed at the coming meeting. This is an important topic in which all members should take a part in.

**LAST MEETING:** At the September meeting an excellent film was shown . It was entitled "The Ultimate Achievement", and it was produced by The Franklin Mint, and dealt with the production of medals by the Franklin Mint. We'd like to thank the Canadian Numismatic Association Library for the use of the film.

There was a display of the Bank of Canada notes of the 1954 issue, including a few of the rare devil's face asterisk replacement notes.

In the first of our free attendance draws, Mr. Roger Fox won a 1970 proof-like mint set, just for arriving before eight o'clock p.m.
