ONTARIO NUMISMATIC ASSOCIATION

PROGRAM: QUIZ QUESTIONAIRE.

Due to personal business, I was unable to publish the August bulletin. My sincere apologies.

Numismatically the summer of 1981 has been a busy and exciting summer in Toronto. Interpam'81. was followed by a great C.N.A. Convention, then a few Torontonians were able to go on to the A.N.A. Convention in New Orleans.

The North York Coin Club decided to continue their meetings through July and August. There were unforeseen difficulties, first the postal strike when the bulletin could not be mailed. then in August no bulletin was issued. surprisingly, the meetings were well attended.

The main feature of our September meeting will be a Quiz Questionaire. It will be a new questionnaire with all questions taken from the Charlton catalogue. Prizes will be awarded to those turning in the highest scores. We hope to see all members out and please invite a friend.

As advised by Harvey Farrow at the August meeting, a meeting of the executive was held at his office on Wednesday September 9th. The main item on the agenda was the upcoming O.N.A. convention. Details will be announced at the September meeting.

Something new has appeared on our Paper Money. The new \$10.00 bills have come out with a three letter prefix. Paper money enthusiasts had been looking for new \$10.00 bills with the eleven digit serial number on the back of the note as they are on the \$5.00 & \$20.00 notes. I have been given to understand that the eleven digit system is to be scrapped and that all our notes will eventually carry the three letter prefix. This will mean a whole new series of notes for paper money collectors.
