GUEST SPEAKER: MR. JOHN REGITKO  
SUBJECT: WHAT MAKES MONEY MONEY

MEMBER:

CANADIAN NUMISMATIC ASSOCIATION  
ONTARIO NUMISMATIC ASSOCIATION

Mr. John Regitko needs little introduction as he is so well known within the North York Coin Club. Presently serving a term as president of the Canadian Numismatic Association, he will give a presentation on "What Makes Money Money". Also on the agenda are the financial reports for 1981 and newly elected officers, which will be reported by the guest speaker.

## LAST MEETING:

The December display night and Christmas party was opened with the On Time Attendance Draw. Mr. Sam Snider's name was drawn and as there was no claim, the draw prize will be \$8.00 this month.

Members had been asked to display any numismatic material in their possession that others might find of interest. Many thanks should be extended to all those people who brought material for viewing.

First prize for the displays was awarded to Basil Latham for his outstanding accumulation of paper money oddities and errors. Second prize was taken by Dr. Don McIntyre for his Indian currency collection (Dr. McIntyre modestly returned the prize money) and third was claimed by Mr. Walter Ciona for his display of trade dollars and trade notes. The prize for the top junior entry was awarded to Bill Van Laethem for his fine collection of general Canadian material.

Other members who should be thanked for displaying material include: Fred Jewitt, George Fraser, Herb Bishop, Harvey Farrow and a junior member, David Hamilton.

An excellent attendance showing of 55 people then enjoyed the annual Christmas party dinner and special thanks should be bestowed to Jean Orr, May Bunnett and Alice Wilkinson for their assistance in making the party a memorable event. A small gift exchange took place in which members were asked to participate in reciprocating nominal gifts.

The draw prize winners included some 45 people so that almost everyone received something from the Christmas party. The festivities concluded with President Harvey Farrow's thanks and wish for a Happy New Year.
