NEXT MEETING: The April 26 meeting will feature Carl Anderson along with several other members who will share their experiences they have come across during their collecting years as "Bargains in Numismatics" when they originally purchased an item and they found out it was a scarce item but didn't pay the price for it. This should be quite an interesting programme.

LAST MEETING: The name of Bob Porter was picked for the on time attendance draw but not been at the meeting, the prize carried over for the April meeting will be \$12.00.

Roger Fox gave an excellent talk on the various issues of the Canadian Tire Store money which has been issued since 1958. He explained the various ways you can distinguish the years when they change the style of the different denominations even though their is no dates on them. Namely the 50th. anniversary of Canadian Tire in 1972 and the special issue they put out in 1976 for the Olympic Games held that year in Canada. He went on to other sources such as lumber companies which have put out similar money. He stated even though it is the same denomination the color on some of the bills can vary greatly in the printing of the money. Some of the notes are printed by the same two companies that print the money for the Bank of Canada. This is one facet of numismatics that doesn't cost a arm or a leg to collect.

Various members pitched in to serve the refreshments in the absence of Jean Orr who was away on vacation at this meeting.

The draw prizes were won by the following: Ron Postill, Carl Anderson, (2), Frank Dennis (2), Bill Van Laetham, George Fraser (2), Gertrud Weise, Paul Johnson (2), Dion Van Laetham, Bill Brennan, Ron Zelk, and the following guests Moe MacIsaac (3) and Julie Martin (2).

NEW MEMBERS: Applications for membership have been received from the following, they will become members at the next meeting unless any objections are filed.

#417 Karl Kamler, #418 Marjorie Kamler, both of Hamilton. #419 Paul E. Bellehumeur of Ajax.

As mentioned in the March bulletin no new applications had been received from the previous month.

COIN WEEK CANADA: By the time you receive this bulletin Coin Week Canada will be in full swing. A manned display is on at the Central Library at 5126 Yonge Street, across the parking lot from the Community Hall for the full week. On Friday evening and all day Saturday at the Fairview Library at the back of the Fairview Mall, at Don Mills Road and Shepard Avenues. If you have time to view the unmanned ones they are located at Central Library, Fairview and Don Mills branches, some of these have been in now over a month and will continue for about another month at the various locations. The club is indeed grateful to Wally Ciona, John Regitko and Harvey Farrow who's material is in at the various locations, it is surprising how long it takes to set up these displays as these members can tell you. A lot of appreciation should go to Glen Williams who was able to get Mayor Mel Lastman to proclaim the week of coin week in Coin Week in North York. The official proclamation will be on hand at the April meeting. We wouldn't have had the unmanned displays if it wasn't for Ron Postill and the people he rounded up to man the displays at Central and Fairview. It takes a lot of time of these two members to put in so much time and energy for Coin Week Canada for the club.

SHOW REPORT WRAP-UPS: For the benefit of the members who couldn't make it out the following 3 shows below is a brief account of what happen at them.

The club's annual show held on March 12 was another success which resulted in a profit of around \$115.00. The display winners were: 1st prize of \$15.00 went to Mary Zemsta with her display of "How to read Roman Coins." 2nd. prize of \$10.00 went to Fred Barley of St. Catharines for Canadian Paper Money. 3rd. prize of \$5.00 went to May Bunnett with her miscellaneous display of Coins on stamps. The junior display winner was Bill Van Laetham on how Canadian coins are made. The people's choice with the winner getting to keep until the next years show the F. C. Jewett Trophy went to Fred Barley of St. Catharines.

The draw prize winners a couple of people won more than 1 prize. 1st. & 4th. prizes went to oe MacIsaac, 2nd. prize went to Robert Botham, 3rd. prize went to Marguerite Kelemen, 5th. & 6th. prizes went to Don Robb of Waterloo, 7th. prize went to Ida Berry, 8th. prize went to Fred Barley of St. Catharines, 9th. prize went to M. Young, and 10th. prize went to A. Gambriell. The club would like to thank the members for helping out at the show either in the refreshment booth, selling draw tickets and helping to man the club appraisal table. To avoid of any embarrassment of leaving any names out we will not mention names. This is gratefully appreciated, because a show cannot run by itself.

The Toronto International Coin Fair was again very successful for the new management of the show which was held on March 25-27. We had several members drop by the club's table to help man the booth for breaks for the ones that where doing several hours at a time. This again is very much appreciated by the club for the members who helped out.

The winners of the displays were the following: 1st. prize of \$150.00 went to Norman Howcroft of Barrie, Ontario, he is one of hard workers of the Huronia Numismatic Association with his display of trains on medals. 2nd. prize of \$75.00 went to our own member Terry O'Brien for her display on the 1976 Olympic coins. 3rd. prize of \$25.00 went to Norm Wells of Peterborough for his display on wooden money.

O.N.A. Convention of April 8-10 report. The club delegate's breakfast was attended by around 35 to 40. The Mexico trip on the draw was won by Don Robb, of Waterloo, Ontario, the same person that won two prizes at our own show on March 12. There were 24 dealers set up and between 50-60 cases of displays. The O.N.A. Award of Merit was won by our own member John Regitko. A number of the clubs received certificates of appreciation from the O.N.A. for submitting their monthly bulletins for publication in the Ontario Numis-
tist, which we where one of them. Wally Ciona has been appointed the new area director for area #7 which is our area of the O.N.A. succeeding George Fraser. Our own member Henry Burke should be congratulated for putting on a very interesting convention. This is the second time he has been the general chairman for the last two years.

There will be several other interesting shows coming up in the fall full details will be given later on when the time approaches.

COMING MEETING DATES: For the benefit of the members that have the yearly pocket planner calendars, the following is the dates of the meetings of the club for the balance of 1983. May 24th. June 28th. July 26th. August 23rd. September 27th. October 25th. November 22nd. and December 15th., note the third Thursday of the month. We are sorry that it does conflict for some of our members who are members of the Huronia Numismatic Association in Barrie, but to re-schedule a meeting specially in December when a lot of parties are on at the community hall, we have no other alternative because of Christmas this year it is only 1 day after Boxing Day.

EXECUTIVE MEETING NOTICE: The next executive meeting of the club will be on Monday, May 2nd. at 7:30 P.M. sharp at 4720 Yonge Street. All executive members are urged to attend this meeting as it will be the last one until early September, even though the club meets during July and August with people on holidays mainly during July and August it is hard to get a quorum out at any time for executive meeting which we have found out lately.

Due to difficulties beyond our control the March bulletin at some of the members received their bulletin on one sheet back to back and others received theirs on two separate sheets. We believe this month's issue will also come out on separate sheets but hopefully the matter will be corrected shortly where we have been getting it printed this year.

It is good to see Al Bliman back in circulation at the Toronto International Coin Fair on the Saturday after his bout in the hospital earlier in the month. He will be back at our meetings maybe even this month.

This month's bulletin is longer than usual but we have a log to report to the members on the various happenings in the past month around this part of the country of the various shows and Coin Week Canada coming up.

Wally and Harvey.
