**NEXT MEETING:** The August 28th. meeting will feature a set of slides from the C.N.A. Library entitled English Maudy Money. This set of slides features the maudy money series from Charles II of 1660 to date. This should be quite an interesting programme since I don't think to many of our members collect this item.

**NEW MEMBER:** Application for membership has been received from #428 Marcel Reich of Toronto. If no objections are filed before or at the August meeting he will become a member of the club.

**LAST MEETING:** The "On Time Attendance Draw" the name of Marg. Brennan was pulled and being in attendance won the prize of \$8.00. The prize this month goes back to \$2.00 again.

George Fraser ran the projector and did the commentary on the set of slides we had on the U.S. Gold and Silver commemorative coins. This was quite interesting since the U.S. has been putting out more commemorative coins than we have in Canada but in recent years we have been catching up on this item every year with the silver dollar coin and the \$100.00 gold coins.

Harvey Farrow gave a resume of the happenings at the recent C.N.A. Convention from the Thursday morning bus tour and the tour of the Royal Botanical Gardens and Rose Garden. Thursday evening was the evening out to the Chinese restaurant. On Friday C.P.M.S. luncheon and the annual general meeting of the C.N.A. with either a tour of Andres' Winery in Winona or the first session of the auction. Saturday featured the delegate's breakfast then the presentation of the display awards and in the evening the C.N.A. closing banquet. I believe that the attendance wasn't as high as last year in Moncton to all of the functions of the convention.

August, 1984, bulletin continued page 2.

LIBRARY: At the last meeting Jim Heffetz had out some of the items the club has in its library out in view for members to borrow if they wish at the back of the room. At the present time the library is very small and has been dormant in recent years because we haven't had a active librarian. The library is mostly made up of the C.N.A. and O.N.A. journals and a couple of the Standard World Catalogues of different editions plus the 2nd. edition of the World Paper Money by Albert Pick. If any member wants to donate any books or items of interest to the club's library to build it up please see Jim at the next meeting. All items will be greatly appreciated. Copies of the list of the library contents is available on request.

COMING EVENTS: September 8th: Huronia Numismatic Association, Semi-Annual show, at the Bayfield Mall, Bayfield Street, Barrie. Hours from 10:00 A.M. to 6:00 P.M., This show generally has about 40 tables of dealers which will feature coins, stamps and antiques.

September 15th: St. Catharines Coin Club Annual Show and Banquet, at the U.A.W. Hall, 124 Bunting Road, St. Catharines. Hours from 10:00 A.M. to 6:00 P.M., At the present time I don't have the cost of the banquet or the name of the guest speaker at the banquet. Maybe by the meeting I will have this information to pass along to the members.

October 12th. to 14th: Torex Show at the Harbourfront Building, 222 Queen's Quay West, Toronto.

October 28th: Stratford Coin Club's 22nd. Annual Coin Show at the Kiwanis Community Centre, Lakeside Drive, Stratford. Hours from 10:00 A.M. to 5:00 P.M.

The above is only a few of what is coming up in the next two months that I know of at the present time, so the late summer and early fall is off to a good start on the weekends if you want to drive any distance from Toronto to take in one of the above shows.

EXECUTIVE MEETING: A reminder to the executive that the next meeting will be on Monday, September 10th. at 7:00 P.M. at 4720 Yonge Street. This will be your only notice of the meeting. A lot of items will have to be finalized regarding our 25th. anniversary show and banquet. The starting of the committee of the 1986 C.N.A. Convention. All members of the executive elected or appointed are urged to attend this meeting, if you cannot make it please call the president at 224-5595 days or 923-5545 evenings if you are not able to make this meeting.

Starting with the September meeting we will start having speakers again. During the two summer months we generally only have slide programmes as we don't know how many we will have out to the meetings.

This finishes it for another month.

Wally and Harvey.
