At our 295th meeting on June 25th, the On-Time Attendance Draw prize of \$8.00 was won by the President, Harvey Farrow. And a round of applause welcomed our newest member, #4, Philip Nash of Toronto.

Our Guest Speaker for the evening was Mr. James E. Charlton, one of Canada's foremost numismatists. Mr. Charlton regaled the audience with a numismatic "Show and Tell". He displayed and discussed numerous items dating from about 300 BC, right up to the present time. He related the historical significance of each item and interspersed his presentation with amusing anecdotes. One of the most interesting items he brought with him was a 'widow's mite', from biblical times. A little closer to home, both in location and in time, was 'wampum', North American Indian bead money.

The speaker was thanked by the President. In appreciation of this interesting talk, and for his sincere and generous support of the NYCC over the years, Mr. Charlton was presented with a Life Membership to the NYCC and a gold-plated name plate, #9.

Application for Membership.....
