The 338th meeting of the N.Y.C.C. was held on Tuesday, March, 27, 1990. The president Ron Zelk welcomed the 31 members present.

The ON-TIME ATTENDANCE DRAW of \$8.00 was not won by Mrs. MARGARET STAHL, so next month will be \$10.00. The mint box was passed to 1 junior.

PAUL JOHNSON introduced the guest speaker, DAVID CRAIG, designer of the 1984 and 1990 Silver Dollars and the 1989 - \$100 gold coin. He explained that, as he is primarily a painter not a designer, he found the approach to coin designing quite difficult. David said he starts out with rough sketches or "doodling" and then produces a simplified design which he submits to the Mint. If accepted he then goes into finer detail. With persuasion, he also showed a selection of slides of his own very interesting paintings. On behalf of the members, John Regitko thanked him for a most pleasant and interesting presentation. John presented David with an Honorary Membership for 1990 and a Charlton Coin Book. Thanks David.

At the break COFFEE and COOKIES were served by TED BOXALL.

DAVID CRAIG graciously distributed autographed copies of his 1984 and 1990 Silver Dollars.
