Dear club member:

We have been advised by the Community Hall that effective in January our rent will be increased by 11.4% which includes a increase from the city and the introduction of the 7% G. S.T. Also the cost of the monthly bulletin postage will be going up to .43¢ from the current rate of .39¢ and the postal box rental from \$26.20 to \$53.50 a year. At the next meeting we will have to made a decision whether to stay where we are or should we move to another location if we can find suitable accommodation elsewhere. A member of the executive is checking out this now a report should be ready for our September meeting. Should we close down in the summer months as most clubs do? This will be a most important meeting in the history of the club. - So be there to express your views on these matters. Its your club.

The 343rd meeting of the N.Y.C.C. was held on Tuesday, August 28, 1990. The president Ron Zelk welcomed the 19 members present.

The ON-TIME ATTENDANCE DRAW of \$4.00 was not won by BUNNY TURNER, as she was not present, so next month will be \$6.00. The mint box was not passed as no juniors were present.

HARVEY FARROW gave a full report on the VANCOUVER C.N.A. convention which took place Aug 13 to 19 and commented on various highlights. He found it very interesting and exciting, with expected good weather, and, although rather expensive, overall it was a most enjoyable experience. As a follow up, RON ZELK spoke briefly on the A.N.A. convention in SEATTLE WASHINGTON, where as usual, the number of dealers and collectors were staggering. He had pictures from his holiday taken between the two conventions and a case full of memorabilia for members to view.

PAUL JOHNSON welcomed the return of our guest speaker, SUSAN MALTBY, columnist for COIN WORLD. Susan spoke on "Coin Conservation, II", which focused on what is a good storage environment. As corrosion is the greatest problem, she highlighted the do's and don'ts of the three areas of main concern ie: Humidity, Acid, and Atmospheric pollutants. In the case of paper money, light can also be a problem. Following her presentation, and during the coffee break, Susan was kept busy answering questions. She had samples of activated silver cloth on hand and she provided the club with a list of suppliers of numismatic materials which can be provided to members on request. Ron graciously thanked Susan for her fine presentation and presented her with a one year Honourary Membership.

At the break COFFEE and COOKIES were served by TED BOXALL.
