THE BULLETIN FOR NOVEMBER 2020

AN UPDATE FROM THE CLUB EXECUTIVE

A meeting of the North York Coin Club Executive was held on Tuesday November 10 through the use of Zoom videoconferencing. Quite a number of topics were covered and this special bulletin will bring you up to date.

Meetings at Edithvale Community Centre

Back in the summer, when pandemic conditions seemed to be improving, a communication was received from the Community Centre inviting the club to select meeting dates for a seasonal permit. There was a promise to accommodate current permit holders and allow a monthly meeting schedule to be established. Since that time we have entered the second wave of the pandemic and everything has been put back on hold. Still, the request for our usual 4th Tuesday monthly meeting dates are in, so we look forward to the vaccine, the passing of winter and providing you with news of the resumption of regular meetings.

Club Membership Dues

Dues are being combined for two years, 2020-2021. People who have paid for 2020 are covered for 2021. Dues payments for those not paid or for new members are appreciated and continue to be only \$10.

Payments to the Club

Payments to the “North York Coin Club” may be made by cheque and mailed to the club address, 2001 Albion Road, Units #19 & 20, Toronto ON M9W 6V6. Payments are also accepted by e-Transfer to treasurer@northyorkcoinclub.ca. This is a direct transfer, so you don't need to supply a security question or password.

Club Anniversary Medals

We have a few of our silver and bronze 60th anniversary medals still available on a first come, first served basis. Silver medals are \$60 and we have two of these available. Bronze medals are \$15 with three still available. Whatever quantity of medals you may be interested in, please add \$5 for mailing. Payment may be made by cheque or e-Transfer as described above. It is suggested that you e-mail info@northyorkcoinclub.ca to check on availability before sending money.

Auction Night Lots

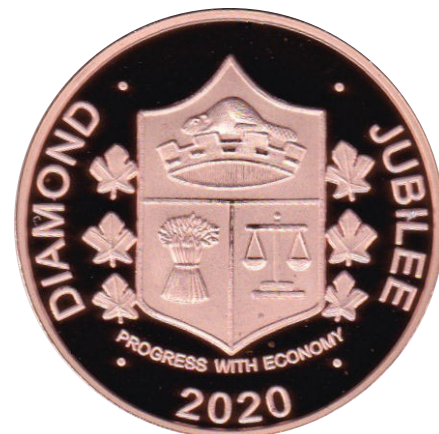

Our annual auction scheduled for our March 2020 meeting never did take place, but the lots for the auction are still in the safe keeping of the Editor, Paul Petch. It will still be a few months before we will be able to meet and hold the auction, so any members wanting to get their lots back can make arrangements by contacting the editor at circulation@northyorkcoinclub.ca or calling 416-303-4417 and leaving a message.

How Bank Note Designs Are Selected

A notice was received from the Bank Of Canada Museum announcing a free virtual presentation and panel discussion called “BankNOTEable Reflections”— a look at how public involvement is helping the Bank of Canada create new bank notes. They promise, “a behind-the-scenes look at how public engagement helps the Bank of Canada create new bank notes that reflect Canada and that can be used with confidence and pride.”

This virtual presentation will take place on Wednesday, November 25 from 7:30pm to 8:30pm EST. Pre-registration is required. Click on this web browser link:
